An opportunity

10X are offering North Shore business owners an evening with one of Australia's leaders in the field of business and peak performance at The Edge: 'Gaining the Unfair Advantage and Increased Profits' on Tuesday August 24.

To enter into the draw to win two tickets (normally priced at \$189.00 per person), North Shore/Rodney readers can email me at editor@timeshouse.co.nz, mentioning which award the North Shore accounting firm RES Group won recently.
