

Hot off the Press: 10X Unley takes out national business development award

Adelaide accounting firm Shearer + Elliss has beaten leading accounting firms from across the country to win this year's 10X Outstanding Achievement in Business Coaching award at 10X's 2010 Annual Awards Night, on the Gold Coast.

Firm partner Eddie Taylor and business coach Simon Starr received the award from Nic Clark, CEO of 10X Limited, to recognise Shearer + Elliss' Outstanding Achievement in Business Coaching.

The nominees comprised Australia's leading accounting firms that offer Business Development services to SMEs in partnership with national Business Development franchise, 10X.

"To be selected as the number one accounting firm out of the most proactive accounting firms representing 10X in Australia is a great honour," says Eddie who is a partner of Shearer + Elliss and 10X Unley

"To receive the award for Outstanding Achievement in Business Coaching means that our firm is in the best position to provide coaching to local business owners and help grow their businesses."

10X Unley Business Coach, Simon Starr gains greater satisfaction from the knowledge of what his local business clients will derive from it.

"This award shows our Adelaide clients have access to some of the best business development resources and support in the country. Knowing that we have that impact is what is truly rewarding for me," Simon says.

Starr credits the success of 10X Unley to the strength of 10X's Coaching Club, the coaching and mentoring service that 10X Unley provides to local business owners.

"Aside from helping participating business owners in increasing their KPIs, the 10X Coaching Club also provides a professional circle of support, structure and accountability," he says.
