## What an Opportunity for Every Small Business Owner!

VBD Chartered Accountants is launching its exciting new business consulting division, **10X Newcastle**. To celebrate we are offering BCI members a special invitation to come and be inspired by one of Australia's leading business speakers and experts in business performance, **Michael Sheergold**.

Each BCI member will receive 4 complimentary tickets valued at a total of \$756.00. This special event is via invitation only and numbers are limited.

At the event Michael Sheergold will explain proven essential business improvement strategies. You will walk away from the event with an enlightened understanding of how to realise the full potential of your business and the lifestyle you desire. Normally a speaker of this calibre is nearly impossible to secure in a regional area. We guarantee that every attendee will receive valuable information they can use in their business straight away; you will also receive a comprehensive work book.

The event will be held at 6pm on Thursday 15th May at Newcastle Panthers. Registration forms can be obtained from VBD Chartered Accountants by calling Amanda on 4962 8211. All registrations must be received by 5th May. The event will sell out, so get in quick.

If you would like more information about this event or any of the other proactive services provided by VBD Chartered Accountants give us a call.
