

# Keeping up with industry in the Gladstone region

## Spark in business

IN an industry first, local accounting firm Sothertons — in conjunction with its business development division, 10X Central Queensland Coast — has launched the first issue of *Spark Magazine*. *Spark Magazine* is a bi-monthly publication designed to specifically address the needs of Australian business. Over the next few weeks, Sothertons will be giving away one free copy of *Spark Magazine* to all business owners who call 10X Central Queensland Coast on 4970 1444.
