Council pledges support for stepUP

STEPUP Geraldton has received a \$10,000 boost, as part of the City of Geraldton-Greenough's Community Grants program.

Mayor Ian Carpenter made the official presentation.

"stepUP is a great opportunity for the Ger-

aldton community and we are happy to be apart of it," Cr Carpenter said.

stepUP's Team Champions and Creation Team are working together to stage the region's first stepUP event on September 9 and 10.

The two-days are integrated with real life stories by high profile inspirational, business, sporting and entertainment leaders.

Guest speakers include Australian author Cynthia Morton and Muso-Magic creator Adam Thompson.

There are a number of ways the community can get involved.

Between 70-80 adults are needed for coaching, training and development.

For more information contact stepUP Geraldton on 9965 0022.
