BY GREG ELLIS

WOLLONGONG business coaching firm 10X has taken out a top national business development award.

The firm held off leading Australia and New Zealand coaches to win the prestigious 10X Business Coach for Outstanding Results award at the 10X Limited Super Club Awards in Brisbane.

Business principal Andrew Robertson was presented the award by 10X Limited chief executive Nic Clark.

Mr Robertson said he was honoured to receive the award on behalf of his team.

"To be selected as the number one business coach out of the most proactive 10X businesses in Australia and New Zealand is a great honour," he said.

Fibre Optics Design & Construct owner Michael McKeogh said the recognition was very well deserved.

Mr McKeogh is a member of the 10X Wollongong Coaching Club and described Mr Robertson's team as leaders in providing high levels of support to business clients.

"A massive recent win for me is that 10X Wollongong has given me the confidence to hand work on and free time up, resulting me in picking up a \$30,000 contract," Mr McKeogh said.

"Their efforts certainly merit the recognition of the award."

Mr Robertson said he was pleased for his clients because the award showed them they had access to the best business development resources and support in Australia right here in the Illawarra.

"Knowing that we have that impact is what is truly rewarding for me," he said.

Mr Robertson credits those involved in 10X's Coaching Club as a major factor in his business picking up the national gong.

The club provides a coaching and mentoring service to Illawarra business owners.

"Aside from helping participating business owners in increasing their KPIs (key performance indicators), the 10X Coaching Club also provides a professional circle of support, structure and accountability."

Mr Robertson is encouraging other business owners to attend Illawarra Business Chamber's business expo on June 23.

He wants them to spend an hour within him in a workshop discussing how they can grow their business. Further information and bookings on 4229 1500 or at www.10x.com.au/wollongong.
