Press Release: RES Group

North Shore Businesses Selected for Performance X Factor

Local accounting firm, RES Group is bringing internationally acclaimed business planning services to North Shore City with the launch of 10X Performance Planner through its business development division, 10X North Shore.

Developed by business performance franchise, 10X, the Performance Planner model leverages the expertise of international business leaders in conjunction with local know-how and the on-the-ground support, coaching and expertise of leading North Shore 10X business coach, Butch Mawdsley.
