

Spencers make 10X available

BALLARAT accounting firm Spencers Accountants has launched the 10X Performance Planner through its business development Division 10X Ballarat.

The performance planner model leverages the expertise of international business leaders, together with local know-how and on the ground support and coaching from business coach Lindsay Eaton.

Spencers Accountants is one of 45 firms across Australia selected to make the 10X tool available to the community.
